

IF THERE IS WATER, THERE IS A WAY.

SAL Heavy Lift, a part of the Harren Group and member of the Jumbo-SAL-Alliance, is one of the world's leading carriers specialised in sea transport of heavy lift and project cargo. SAL owns and operates a fleet of modern heavy lift vessels with a lifting capacity of up to 2,000 t SWL. Our guiding principle is: If there is water, there is a way. Making the impossible possible, always finding a solution, going all the way.

If you're looking for an exciting job, our programme will be the stepstone to boost your career. Tackle diverse and challenging finance projects in an international environment – and lead the way in finding effective financial solutions for our assets. We work with you to customise our modular 12 to 14 month traineeship in line with your interests and career plans.

TRAINEESHIP – MARITIME FINANCE

Commencing 1 March 2023 or 1 September 2023

We offer:

- Hands-on experience with all aspects of shipping
- A multinational workplace where all projects are unique
- A strong team culture and an open and friendly atmosphere
- On-site projects and vessel visits
- Support and supervision from designated contacts in your department, a trainee mentor during the entire programme and regular feedback on your work
- Technical work package incl. laptop and smartphone
- Assistance with finding living accommodations
- Fair trainee salary with additional benefits, such as company fitness and lunch offerings
- Potential for permanent employment after successful programme completion

Your profile:

- You hold a B.Sc. or Master's degree in business administration with focus on controlling, finance or audit / accounting or other financial education
- You are ready to take on responsibility and are able to work independently
- You thrive in a multinational team environment where teamwork is essential
- Your level of German and English language should be C1

Deadlines for application:

1 December 2022 for starting date 1 March 2023 /
1 July 2023 for starting date 1 September 2023
