

**PRESS RELEASE****Phillip Brown joins SAL Heavy Lift in USA****Houston, 14 June 2019**

It is with pleasure that SAL Heavy Lift GmbH and their American subsidiary SAL Heavy Lift Inc. announce the appointment of Mr. Phillip Brown as Vice President – Projects, to the Houston based sales team. Commencing 1st July 2019 Phillip with his extensive knowledge of the U.S. project transport segment will add considerable strength to SAL's chartering and marketing activities.

Formerly Global Chartering Manager at Global EPC, Fluor Corp., and with a BSc. in Maritime Administration, Phillip is uniquely experienced in understanding the demands of the EPC community. This experience will significantly contribute to SAL's relentless pursuit of providing industry leading client focused service.

Anders Hyrup, President SAL Heavy Lift Inc. states: *"Phillip will be a great asset to our team – his skillset suits our company and the services we market very well. It was clear from our first talk with Phillip that his approach to shipping logistics and value-based service mind-set fits our team perfectly. I know we will benefit tremendously for having Phillip on-board and I am excited to see him joining the team in a few weeks."*

**About SAL Heavy Lift**

SAL Heavy Lift, a member of the Harren & Partner Group, is one of the world's leading carriers specialized in sea transport of heavy lift and project cargo. The company was founded in 1980 as "Schiffahrtskontor Altes Land GmbH & Co. KG" and belongs to Harren & Partner Group since 2017. The modern fleet of heavy lift vessels offers highly flexible options to customers. The vessels of SAL Heavy Lift boast an impressive travel speed of 20 knots, up to 3500 square metres of unobstructed main deck space and combined crane capacities ranging from 550 to 2000 tons: amongst the world's highest lifting capacity in the heavy lift sector. As a leading global company in the heavy lift and project cargo segment, the company meets the highest standards with regard to quality, technical innovation and health, safety and environment.
