

LETTER OF INFORMATION
SAL BECOMES COMMERCIAL AGENT FOR PAN OCEAN

04. October 2017

To business partners and clients

Dear Sirs and Madams,

We are happy to announce that SAL has entered into an agreement as commercial agents for Pan Ocean.

SAL will in future represent the two semi-submersible deck carriers MV Sun Shine and MV Sun Rise as commercial agents for agreed European countries and together with Pan Ocean promote the vessels to world markets. The format aims to utilize the networks each of the companies have in their respective home regions.

With Ro/Ro and Flo/Flo, SAL is established as a fully comprehensive heavy lift carrier being able to offer clients a wider array of heavy transport solutions. The amazing capacities of the MV Sun Rise and MV Sun Shine as semi-submersible heavy lift carriers opens possibilities to our clients that was earlier beyond SAL's capabilities.

SAL has also included the semi-submersible deck carrier MV Papenburg to its fleet. Together with the Combi Dock vessels SAL can now offer wide ranging rolling and floating transport solutions.

With the agreement as Commercial Agent in place, SAL now represents a fleet of 5 semi-submersible dock / deck carriers containing the MV Combi Dock I, MV Combi Dock III, MV Papenburg, MV Sun Rise and MV Sun Shine.

For all rolling and floating cargo requests please contact our specialists:

Mr. Peer Kelch
